

Natural Gas STAR Partner Newsletter

July 2005

Welcome

This is the July 2005 installment of a monthly newsletter highlighting Devon's activities in the Environmental Protection Agency (EPA) Natural Gas STAR Program. These monthly installments summarize Devon's methane emission efforts and a specific partner reported emission reduction opportunity that might be of benefit at certain Devon operations.

PRO Fact Sheet of the Month

"Zero Emissions Dehydrators"

This month, the highlighted PRO (Partner Reported Opportunities) Fact Sheet document is related to the "Zero Emissions Dehydrators". The attached PRO Fact Sheet feature provides more details about the technology and associated benefits of installing zero emissions dehydrators.

If you have an idea or recognize an opportunity for a process change or pressure setting to improve efficiencies or reduce venting, please discuss these ideas with your EHS specialist or call Steve O'Connell at (405) 552-4672.
